Bell music without a tower?
yes--with
"Carillonic Bells!"

Your Church—with or without a tower—can bring a new spiritual awareness to the community with "Carillonic Bells". At the touch of a finger, or automatically, their beautiful true bell music carries your church's message to all who hear—at a fraction of the cost of cast bells.

They are light in weight, yet 25 "Carillonic Bells" provide the same musical range and volume of cast bells weighing 73,000 pounds. *Write for complete information.*

THE UNHAPPINESS OF THE HAPHAZARD

The pleasures of the absent-minded enjoy a good press. They are usually delightful folks and generally beloved. Yet their lot, like that of the famous policeman, is not a happy one. Slap-happiness may be more superficial than fundamental among this allegedly happy band.

Be that as it may, the clergyman who tries to work out a financial program in a fit of absent-mindedness will come to grief. Only by careful foresight can real satisfaction be secured.

The Fund exists just to help those who avoid anxious care by taking steps, at an early age, to prepare for eventualities.

Ask for help and it will arrive right early.

The Church Building Loan Fund Campaign

Congregational Christian Churches

1952-54 Biennium

The General Council delegates at Claremont in June, 1952, declared this to be a "special emphasis for the 1952-54 biennium" and voted to:

"Request local churches to give themselves whole-heartedly to this effort for the upbuilding of the Church of Jesus Christ."

Is your church participating? Have you sent in your Declaration of Purpose? Are you sharing in this venture to build churches for the children, youth, and adults of America who need churches, want churches, and are waiting to be used in the work and mission of the church?

Andover Theological Seminary is affiliated with The Newton Theological Institution forming Andover Newton Theological School, located at Newton Center, in the vicinity of Boston. The combination of the two schools and the location, in greater Boston, make new and unusual advantages possible for theological students interested in taking their professional study in New England. The combined resources provide for an enrichment of the curriculum and an enlargement of the faculty. The library facilities are unexcelled.

Andover Newton Theological School students enjoy the privilege of taking work in Harvard open to theological students without additional expense. In greater Boston and New England are many of the oldest and most famous of the educational institutions of the country. As Andover Newton is in the midst of them, the students can enjoy the cultural and traditional advantages which bring college and professional students to Boston, not only from all over the country, but from all over the world.

The co-operation of the churches in the vicinity offers many opportunities where, on the basis of co-operative scholarships, students can make their way and at the same time gain valuable and practical experience. The School offers scholarship grants, as far as it is able, to students dependent upon self-support and seeks to aid in securing for them church positions in which service can be given in return. Special fellowships are awarded to exceptional students.

The School grants three degrees: B.D., S.T.M., and M.R.E. The B.D. is granted after four years study to students who have had a college course. The M.R.E. is granted to students with similar preparation after two years study. The S.T.M. is granted after at least a year of graduate study and the presentation of satisfactory thesis.

BACHELOR OF DIVINITY COURSE

A three-year program of theological studies is offered leading to the B.D. degree. The A.B. degree from an accredited college, or an equivalent degree, is a pre-requisite.

PRE-THEOLOGICAL COURSE

In cooperation with the College of Liberal Arts of the University of Maine, the Seminary offers a two-year pre-theological course to mature men with experience in other fields of endeavor and to a limited number of younger high school graduates. The curriculum consists of subjects recommended by the American Association of Theological Schools. After successful completion of the pre-theological course students are admitted to the three-year course of theological studies. A diploma is granted for satisfactory completion of this five-year program. Graduates may enter New England colleges with advanced standing for the A.B. degree, the granting of which qualifies them for the Seminary's B.D. degree.

Expenses are unusually low. Campus apartments are available for married students. There are many opportunities for service as student-pastors in neighboring churches. For catalog and further information, please address the President.

FOUNDING AND PURPOSE

This month, in the year 1953, completes one hundred years since the founding of the American Congregational Association. In the first annual report, a century ago, is the following statement: "a large number of ministers and other gentlemen, representing all the New England States and many other parts of the country, convened in the Old South Chapel, Boston, on Wednesday the 25th of May, and with great unanimity formed the existing Congregational Library Association." This last was the original name of the organization. Article 2 of the constitution formulated in 1853 states: "The object of the Association shall be to found and perpetuate a Library of Books, Pamphlets and Manuscripts, and a collection of Portraits, and whatever else shall serve to illustrate Puritan history, and promote the general interests of Congregationalism." The Congregational House was erected in 1898 to house the Congregational Library, provide rooms at low cost for Congregational Missionary, Organizations, the Congregational Book Store, Pilgrim Hall for gatherings, and Committee Rooms, and to promote the general interests of the Congregational denomination.

THE CONGREGATIONAL LIBRARY

The Congregational Library is ready to supply books without charge, other than postage. Week by week are purchased almost all the new religious books published in America, and many from England. The Library also acquires hundreds of others: Travel; History; Education; Literature; Philosophy; Science; World Affairs; Social Problems; Church Arts; Biography; Congregational history; and whatever are believed to be helpful to the laymen, women and ministers of the churches. There are two or three copies each of books that are in constant demand.

Readers are invited to send in for any titles in which they are interested (except books of fiction). Make up a list from advertisements, book reviews, bibliographies in the back of books you own, and from the Bulletin of the Congregational Library. The quarterly Bulletin is available to those who request that it be mailed to them. One minister wrote: "In the next three months I would like to read the following books. Please select two for my use now. When I return them, continue to send more books from my list." This is an excellent way to use the Library. We will mail two or three, others to be sent when you return those loaned to you, and as the titles on your list become available in the Library. You may send new lists as often as you discover additional books you want to read. Most books are loaned for three weeks, and may be renewed. Popular, newer books may be kept ten days from the day received. Address: The Congregational Library, 14 Beacon Street, Boston 8, Massachusetts.

ANNUAL STATISTICS OF THE CHURCHES

In the following pages each church is listed under the Conference or Convention in which it is enrolled. These Conferences and Conventions do not always follow state lines. If you have difficulty in locating statistics for a particular church, consult the Index and look there for the state in which the church is located. The Index lists each page of the Year Book on which churches in that state appear.

The statistics are collected by the Registrars of the conferences and compiled in the office of the Year Book Dept. of the General Council. They are of date of January 1, 1953, and cover the year 1952. Changes in pastorates are corrected as far as reported until copy is complete. Such revisions and author's corrections in statistics are not involved in the summaries. Money received in any national, district or state office to and including January 10 is credited to the preceding year unless otherwise requested. Persons noting errors are earnestly requested to report the same to the Registrars of the conferences.

The tables are *not a postal guide*. For addresses of ministers refer to alphabetical lists in the back of the book. Names of church clerks, Sunday School superintendents, church treasurers, treasurers of benevolence and chairmen of boards of trustees and deacons, are on file in state offices, as are also certain other data.

The first name in the list of churches is usually the name of the town or city in which the meeting house is located. This is also the name of its post office unless followed by a name in **heavy-faced type**. If this postal word is an adjective it goes with the preceding name, e.g., **Newton, West**, signifying West Newton.

Abbreviations in schedule headings are:

"Ord." — Ordained

"C." — Confession

"Cld." — Called

"D." — Death

"Ab." — Absentee

"L." — Letter

Reference marks are used as follows:

[] Around a pastor's name signify he is not in full standing as a Congregational Christian minister, nor a denominational licentiate, nor an approved lay preacher, nor a candidate in care of a local association.

y Pastor serves more than one church. (See list of yoked churches in Conference Summary.)

i Pastor installed by Council.

Contribution amounts to less than 50 cents.

r Pastor recognized by Council.

* Value of church property includes parsonage.

c Church School membership includes Cradle Roll.

★ Per Capita (based on total membership) paid in full by church.

x Includes cost of new building or improvements.

§ Church Building Loan Fund not credited on apportionment.

— No answer can be given.

|| When a church has made no report, figures from the previous Year Book are inserted for Total and Absent Members, Average Attendance, Church School and Young People's Organizations, Home Expense and Property Value and marked with || before Total in Members' column of the statistical report. This is done that these items may be included in the summaries and comparative tables, thus minimizing the danger of falsifying the comparisons.

Under church "Members" the number "Absent" are included in the "Total." Amount of "Home Expenses" includes all salaries, together with missionary aid received, operating expenses and repairs for church, Church School, choir and parish. An x before "Value Church Property" denotes expenditures for new buildings or improvements during the year. The total expended will be given at the end of each conference schedule.

The Women's Gift is included in the apportionment columns of each state. The apportionment figures in the schedules are those reported by the state treasurers.

The Summaries give important data by conferences in Table I and national data by years in Table II. The less important items appear in the Supplemental Summary. Additional totals appear in footings of conference schedules.

For last minute revisions see page following Ministers in Full Standing list.

CONGREGATIONAL CHRISTIAN MINISTERS IN FULL STANDING

Ministerial standing is constituted by ordination and membership in an association or conference of Congregational Christian ministers and churches. (Local ministers with limited ordination will be found at the end of this list.)

The following is a compilation of the lists furnished by the Conference registrars.

Ministers not in Congregational Christian pastorates are indicated by the inclusion of ordination date (or by a hyphen (-) if ordination date had not been reported) after the address. Information regarding pastor is found in the appropriate place in the state report; refer to state and place. If a pastor does not appear in the schedule of the state in which he lives, he may have made a recent change in pastorate. (See Last Minute Revisions following this list.) Page numbers are given for those whose names appear on pages 5-17, and in the Necrology, pages 24-33, and in the record of 1952 Ordinations, pages 237-239.

An asterisk (*) before a name indicates that the minister is not now reported by a Conference registrar. It appears desirable to retain such names for a period of two years in order to give opportunity for completing transfer of membership from one holding body to another as well as for correction of errors.

A dagger (†) indicates that the address had not been verified, or is unknown.
